

## THOMAS' TIDINGS

### MOTHER'S DAY BLESSINGS...

Sunday was a wonderful day of worship as we recognized our mothers and witnessed thirteen young couples dedicating their children to the Lord. We are praying for these young parents as they raise their children in the ways of the Lord.

The music and the video focusing on the family were a blessing. My, how the Lord blesses when we gather in His name and worship Him in spirit and in truth.

### GREAT SERVICES AHEAD

- **June 8-12** — Vacation Bible School for preschool through grade 8. This is one of the biggest events of the year. Pray for many children and young people to come to Jesus.
- **June 13** — Special Gospel Singing featuring The Guardians Quartet. This will be a great evening of worship, and hundreds will be present. Get the word out! Many will come to this singing.
- **June 28** — "God and Country" Day: A powerful service as we celebrate our nation's 250th Anniversary. A gigantic BBQ luncheon in the Christian Life Center follows the service. You don't want to miss this BIG day of worship and fellowship. Our guest preacher is Evangelist Phil Waldrep.

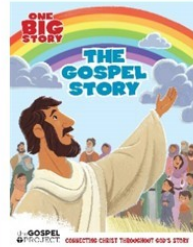

My, how the Lord is blessing our worship services. To Him Be ALL The Glory! I hope to see you Sunday. Pray for the Lord to bless again. He will... so give Him praise!

Rejoicing in Jesus,  
Bro. Herb

## FROM DONNA'S DESK

This summer in Children's Church our children will be learning "The Gospel Story" through the One Big Story curriculum. This study will combine 30 different Bible truths to tell the Gospel Story simply and clearly. The Christ connection feature reveals how Jesus is part of each Bible story and God's plan for them leads children to the plan of salvation!

Throughout scripture, God revealed His plan consistently pointing to Jesus' death, burial, resurrection, and eventual return. I am so excited to start this curriculum with the children and watch them learn and grow in Christ! Each student will have their own workbook and engaging crafts and activities!

Joyfully, Donna
